Why Donate to Us

Selecting us as your charity of the year will ensure that any funds you raise will be put to good use right here in Norfolk. As a local charity we understand local communities and their needs, so we are able to make a bigger difference for the most vulnerable and disadvantaged people amongst us.

We know that our work changes lives every day, and in some instances has directly saved lives. If you select us as your nominated charity, not only will we support you to raise funds on our behalf, but we will involve you in all our events, marketing, and activities throughout the year. We will also work with you to show exactly how your donations and support are making a real difference in people's lives in Norwich and across Norfolk.
